2025 Season Updates

Tournament Update – Substitutes Now Welcome!

New this season: You can now sign up for tournaments with a substitute! This gives you the flexibility to participate without needing to play all three games.

- On the sign-up sheet, list both your name and your sub's on the same line — you'll be drawn as one entry.
 - You and your sub can alternate games at your discretion (just not mid-game).
 - A detailed explanation will be sent out with each Tournament Sign-Up Sheet.
