

FLBC Weather Policy

Heat Policy

Heat Index above 95 = Bowling Cancelled

Heat Index above 90 = Open Bowling

Rain Policy

We will bowl if the green is firm. When conditions are questionable, several members help decide, including someone who physically checks the green.

Notification

The above is a general guideline, bowling is only cancelled if you received a notification. If there is a cancellation, the latest we're targeting notification is 1 hour before bowling. If you don't receive a notification of cancellation, there will be bowling.
